EBCA Road Shows.

The EBCA coaching team is making available two coaching sessions for clubs. The idea of these sessions is to help clubs start the new outdoor season with some practical coaching.

The session one is for the newer / intermediate bowler. Coaches work with the bowler on delivery, line and length plus an overview of etiquette.

Session two is for the more advanced bowler where coaches look at specific problems, look at team play, talking heads and bowls ballistic.

New this year is an overview on the psychology of winning.

Each session last approx. 3.5 hrs with a maximum of 4 people to a rink .

Sessions 1 and 2 can be run am/pm or separately.

Course content can be amended to suit a clubs specific needs.
