*(INCORPORATING CENTRAL ESSEX BOWLING CLUB)*

AND

**BRENTWOOD BOROUGH COUNCIL**

PARKING PERMIT PROTOCOL AT KGPF  
2022/2023

VISITORS PARKING PERMITS

1. Brentwood Borough Council have introduced a schedule of charges for parking at KGPF (which incorporates our green). However, it has been agreed that no charge will be made to Bowls Club members or their visitors.
2. When a visitor attends the Club they should obtain a ticket for 30-minute free parking from one of the machines in the parking area and display this in their windscreen. Then please come to the bowls clubhouse and one of our members will issue a permit which allows four hours free parking.
3. The visitors permit should then be displayed in the windscreen in substitution for the 30-minute voucher.
4. The permit is limited to the date of issue and for a period of four hours. It should therefore be destroyed by the visitor when leaving KGPF.
5. The Club will not accept any liability for any properly issued Council Penalty Charge Notice against and visitor's motor vehicle.
6. Because of the limited parking facilities at KGPF at busy times, it would be very helpful if visitors could car share as much as possible.
