

## Essex County Club Double Triples

As you all know, the Outdoor season has been decimated by the Coronavirus to the point where many Clubs remain shut, and the usual programme of events/competitions has almost entirely been wiped out.

Some competitions remain, but nothing on a Club level. For this reason, Essex County are organizing a County-wide Club Double Triples tournament. The rules will almost exactly mimic the usual Double Fours competition, however with 6 people maximum currently allowed by government regulations to meet for sport a Double Triples seems the best format option available currently.

The competition will have shorter play-by dates than usual, necessitated by the late starting date, though all dates are dependent on number of entries.

For similar reasons we are limiting entries to only ONE per Club.

The competition is very likely to be a knockout, however if numbers are small enough a league could be preferable. The draw is not likely to be done taking into account locations of Clubs, but rather a completely open draw, unless large numbers of entries mean localized opening rounds can take place.

The Final will be held on **13<sup>th</sup> September** at Essex County Bowling Club – 10am  
Winning Club/Team will receive prize money dependent on number of entries.
